SURVIVOR'S COFFEE TABLE BOOK TOUR ENDORSEMENT

Dear Pastoral Community,

I'm pleased to endorse Tahirah Ogletree and her non-profit organization The O'Tahirah Foundation, Inc. Ms. Ogletree, is an active member of First New Life.

Tahirah is the author of an award winning coffee table book titled, "*SURVIVORS Celebrating Life Beyond Domestic Violence*", She is celebrated as a survivor, entrepreneur, and selfless advocate on behalf of victims impacted by domestic violence. She is devoted to sharing her story of faith, perseverance, and deliverance from the binding shackles of an abusive relationship.

Tahirah uses her resilience and the power of her STORY to break years of silence, empower, and help save lives from senseless casualties. While creating revolutionary ways to educate on the importance of NOT ignoring the warning signs, also known as "The RED FLAGS," as referenced in her book, *SURVIVORS Celebrating Life Beyond Domestic Violence*. Tahirah seeks to execute her vision in various ways, including through *The Survivors Coffee Table Book Tour* and signing.

I'm proud to stand with The O'Tahirah Foundation, Inc to help increase prevention awareness throughout our communities through *The Survivors Coffee Table Book Tour*. I'm grateful to Tahirah Ogletree for her humanitarian pursuits.
